We are blessed to have so many people who are involved in the life of Whitefriars Church, serving in the background Sunday-by-Sunday to make sure that the church services run as smoothly as possible. It takes a surprising number of people to help the church to function! We would really welcome any offers of help—even if this is time-limited!

Although serving has a cost in time and effort, there are also numerous positives. Working alongside others is a great way to get to know people and to deepen your involvement in the church. The diversity of gifts and skills needed mean that most people will be able to find a niche: there are technical skills needed to operate the sound and laptop; hospitality gifts in preparing refreshments and welcoming people; ministry gifts needed to pray with people; teaching gifts for those working with youth and children and musical gifts for those who lead us in worship. And that's is just a start!

If you would like to be involved with Whitefriars on Sundays, please complete the form below and give it to one of the wardens or staff team. There are other opportunities to serve during the week which we are also happy to discuss with you too. Volunteering for a role does not automatically mean that you will be asked to be involved. For some positions there is a selection process and training. So if you are not selected, don't lose heart and look for other avenues in which to use your God-given gifts.
